CABLE·RAIL®

Open, clean, simple, see-through. Railings, fences, trellises, stairs, canopy supports. Whatever your reason, we have the hardware and the technical support to make cable rails, in one word, easy. Made from high strength 6000-series aluminum alloy extrusions. Very low maintenance: no rusting, splintering, cracking, peeling or repainting. Field trimmed rails are quickly and easily assembled using pre-engineered components that snap and screw together. No welding, grinding or special finishing.

### Black Steel Railing

Pre-welded components provide strength, while the triple-coat finishing process ensures durability. The pre-mounted brackets allow for quick installation. The process is as easy as: measure, cut, install. Black railing in-stock - Bronze color is special order.
