HARDWOOD LUMBER & PLYWOOD

We know hardwoods! Inside our store you will find a comprehensive inventory of fine hardwood plywoods, hardwood lumber, trims and mouldings. Quality hardwoods are a must for fine cabinet makers, craftsmen and homeowners who know the difference it will make in their finished creations.

If you are paneling a wall in your home, making bookcases for your mom's cookbooks or building

a beautiful cabinet for your bathroom makeover, our experienced staff can show you the right materials you need to produce your work of art.

We stock the most popular species and sizes of hardwoods and can special order any other you may need. From Alder to Zebrawood, Jatoba to Obeche, domestic and imported, we know hardwoods - another reason why we've been Sonoma County's Lumberyard for over 108 years!
