## Super Stick Building Tape #4SS 4"x75' \$23<sup>93</sup> #6SS 6"x75' \$33<sup>93</sup>

A high tack, tenacious, durable, peel and stick air/vapor barrier tape system used for sealing PVC and aluminum fin windows and doors; window and door openings; and as a full coverage air vapor barrier membrane. Designed to be applied down to -20°F (-28.88°C) without the use of primer or mechanical fasteners on most substrates. (Substrates must be tested for adhesion.\*) It utilizes a high tack pressure sensitive adhesive (PSA) combined with a high performance facer film. This design provides a full 12 month UV

exposure. A greener, cleaner building tape solution that offers No VOC's, HFCC's, nor CFC's. It is non-toxic and non-allergenic.

**DUPONT** \$21<sup>63</sup>

## Dupont Flex Wrap EZ 2-3/4"x15'

#FWEZ. FlexWrap EZ was designed specifically to help create an air- and water-tight seal when installed around penetrations of all different shapes and sizes. It is ideal for flashing around the many smaller electrical, HVAC, and plumbing penetrations as a fast and easy solution to help improve energy efficiency and the durability of a wall system.

\$35<sup>63</sup> 4"x75' #4TFT  
\$48<sup>53</sup> 6"x75' #6TFT

## Dupont Flashing Tape

Contains no asphalt components; instead, it uses a superior performance butyl-based adhesive system and a thermally stable polyolefin top-sheet that will not deteriorate or stain after extended exposure to temperatures up to 180°F (82°C). It adheres well to most common building materials while maintaining a forgiving initial tack, thereby allowing for repositioning of the product during installation.

**DUPONT**  
**Tyvek** \$149

6"x75' roll #6FW

\$189

9"x75' roll #9FW

## Dupont Flex Wrap

Self adhered butyl flashing helps prevent water intrusion at window and door sills without mechanical fasteners.

#2TF 2"x50' \$13<sup>73</sup>

#4TF 4"x50' \$26<sup>83</sup>

## Joist Tape

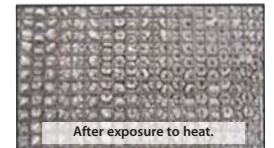

40 mil thick. Flexible peel and stick waterproofing membrane tape that is intended for use as a waterproof/anti-corrosive barrier between ACQ/AC2 treated lumber and metal surfaces, including between metal hangers, sill plate, and deck plates.

## VULCAN VENT™

*For new construction or retrofit!*

Vulcan Vent® begins with a standard frame design, but behind that is 1/4" hexagon expanded aluminum, coated with an intumescent coating from Fire Free Coatings Inc. The coating swells up when exposed to high temperatures and closes off the cells, effectively blocking off fire & ember intrusion.

*Mead Clark stocks the following Vulcan Vents:*

- 6002048 2" Round Eave Vent
- 6002055 3" Round Eave Vent
- 6002109 6x14 Foundation Vent
- 6002130 8x14 Foundation Vent
- 6002093 6x14 Stucco Vent
- 6002123 8x14 Stucco Vent
- 6002000 3-1/2"x22" Eave Vent
- 6002338 2"x10' Soffit Fire Vent
- 6002246 14"x18" Gable End Vent

# SAVE 20%

## FOR 20 DAYS

ON ALL SPECIAL ORDER MILGARD WINDOWS & DOORS

April 1 through April 20, 2019 only at Mead Clark Lumber

Whether you're replacing a single window, adding a pair of french doors, adding a room, or building a new home, you will save 20% on all Special Order Milgard Windows and Doors purchased at Mead Clark Lumber April 1 thru April 20, 2019. No prior purchase price adjustments. See store for details.

For more information, a free price quote or to speak to our experts, call 707-576-3333.

**HITACHI**

**FREE** Hitachi UB18DGL Worklight with purchase of #NR1890DR While they last

Tool has a Lifetime Mfg Warranty!

**\$409**

### 3-1/2" 18V Cordless Brushless Plastic Strip Framing Nailer

#NR1890DR. Unique Air Spring Drive System that uses compressed air to drive each nail resulting in zero ramp up time, increased driving speed, recoil that feels like a pneumatic nailer. Powered by a Compact 3.0Ah Lithium Ion battery included.

**HITACHI**

FREE 3/8 x 100' Poly Hose # 115317 with purchase of #NV65AH, NR65AK or AKS - While they last!

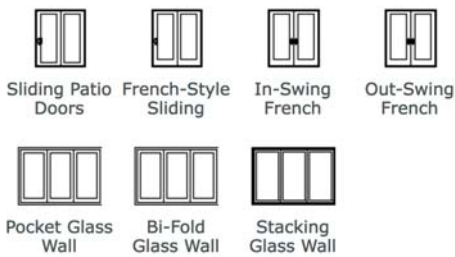

**\$349**

**\$349<sup>00</sup> ea.**

**2-1/2" Coil Siding Nailer**  
#NV65AH. 4.6lbs. Depth of drive adjustment to countersink or flush drive nails. Drives wire and plastic sheet collated nails. Adjustable air deflector, directs the air exhaust in any direction.

**2-1/2" Strap-Tite Strip Nailers**  
#NR65AKS or #NR65AK. Lightweight for easy maneuverability. Narrow design for ease of use in tight spaces. Adjustable air deflector directs the air exhaust in any direction. NR65AKS with a short magazine for tight angles.
