Powered by a Compact 3.0Ah Lithium Ion battery that is 3/4" shorter and .6 lbs lighter than a conventional 3.0Ah battery for complete portability. Freedom from cumbersome air hose and compressor saves time in setup, during applications and in jobsite clean up. Unique air spring drive system (similar to Hitachi's pneumatic line) that uses compressed air to drive each nail resulting in zero ramp up time, increased shooting speed, recoil that feels like a pneumatic nailer, quicker response time between drives, better flush driving- even at an angle and easy maintenance due to fewer parts to manage.

Tool has a Lifetime Mfg Warranty!
