Snapper Shear for Fiber Cement or Backerboard

#890402. Model SS 404 cuts fiber-cement siding up to 5/16" thick. Whether you're cutting a straight line, window opening, or gable angle it's a snap to notch, rip and shape—without making a lot of dust.

\$83⁹⁹ Snapper Shear Pro

#SS724. This attachment works with any 18 Volt or higher cordless drill and is easy to maneuver while making any kind of cut. It is specifically designed to cut fiber-cement backer boards like HardieBacker, and can make straight, right-angle circles, 90° degrees, and cuts as small as a 3-inch diameter. The days of score and snap are over with our versatile cutting tool, adjustable and adaptable for right and left-handed users.
