15 Amp Super Sawzall

#6538. It is the first Sawzall reciprocating saw to include constant power technology, which maintains constant speed and power under load for unmatched cutting performance. The 15.0 amp motor provides the industry's highest overload protection. The patented gear protecting clutch extends gear and motor life by absorbing high impact forces caused by sudden blade lock-ups. Includes carrying case.

The right information. The right materials.

18V Brushless Cordless Finish Nailers

\$339⁹⁹

2" 18 Ga Brad Nailer #NT1850DE

Your Choice **\$369⁹⁹** ea. #NT1865DM 2-1/2" 16 Ga Straight

or 2-1/2" 15 Ga Angle Finish Nailer #NT1865DA

- Powered by a Compact 3.0Ah Lithium Ion battery that's 3/4" shorter & .6 lbs lighter than a conventional 3.0Ah battery for total portability.
- Freedom from cumbersome air hose and compressor saves time in setup, during applications and in jobsite clean up.
- Unique air spring drive system (similar to Hitachi's pneumatic line) that uses compressed air to drive each nail resulting in zero ramp up time, increased shooting speed, recoil that feels like a pneumatic nailer, quicker response time between drives, better flush driving- even at an angle and easy maintenance due to fewer parts to manage.

Tool has a Lifetime Mfg Warranty!

\$418

3-1/2" 18V Cordless Brushless Plastic Strip Framing Nailer

#NR1890DR. Unique Air Spring Drive System that uses compressed air to drive each nail resulting in zero ramp

up time, increased driving speed, recoil that feels like a pneumatic nailer and quicker response time between drives. Powered by a Compact 3.0Ah Lithium Ion battery included. Drives up to 400 nails per charge using the compact 3.0Ah battery. 21° magazine holds approximately 37 plastic strip collated fasteners from 2" up to 3-1/2" in length

NEW!

\$320

3-1/4" Plastic Collated Framing Nailer

#NR83A5. Cylinder valve drive system for rapid response and increased durability. Selective actuation on trigger allows for either sequential or contact nailing. Rafter hook is included for convenience on the jobsite. Tool-less depth of drive adjustment for improved control and flexibility when fastening into various types of wood. Accepts two strips of nails at a time and locking feeder system makes replenishments quick and easy.

\$12⁸⁷ 34 sq.ft. kraft faced

16" R-13 Insulation Mini Roll

#16R13RL. EcoBatt® Insulation doesn't look like any insulation you've ever seen, but that's because its natural brown color represents a level of sustainability we've never before achieved. EcoBatt Insulation combines sand, one of the world's most abundant resources, recycled bottle glass and ECOSE Technology to create the next generation of sustainable insulation...naturally from Knauf Insulation.

\$215

Blueskin VP100

#VP100 4'x100' roll. Vapor permeable water & air barrier. Fully water resistant. Fully adhered to sheathing – eliminating mechanical fasteners. Meets industry standard for a Water Resistant Barrier (WRB). Patented intermittent adhesive, Peel-and-stick – easy to apply. Packaged in convenient rolls for full wall & flashing applications.

Henry

Fully adhered means:
Air Tight
Water Tight
Weather Tight

\$18 20oz Sausage **AIR BLOC LF**

#HE022BWB. A moisture cure single-component elastomeric liquid-applied flashing using a highly advanced Silyl-Terminated Polyether (STPE) polymer. It is designed to cure through reaction with airborne moisture to provide a heavy-duty, seamless, rubber-like impervious membrane with excellent weathering and water resistance.
