VELUX

Skylights

Fixed Curb Mount Skylight

24x24 #FCM2222 **\$156⁹⁸** 24x48 #FCM2246 **\$216¹⁴**

With tempered laminated, low-e glass & argon gas. Skylights are great for visually expanding areas such as hallways, stairwells and other closed-in, dark spaces that can be transformed with natural light and sky views. They provide an economical alternative in creating a spacious home that is filled with natural light.

Curb-Mounted Installation

The patented FCM curb mounted fixed skylight is sized to work with all types of site-built curbs, whether they're slightly out-of-square, pre-existing, or surrounded by unusually thick flashing and roofing material. Heavy-duty materials ensure the FCM skylight is built to withstand the installation process, as well as anything Mother Nature throws its way.

CLEAN, QUITE AND SAFE GLASS

- Features Neat® glass coating to keep your skylight cleaner, longer, leaving skylights virtually spotless.
- Reduce unwanted outside noise by up to 25% less than a standard double pane glass, and up to 50% less than a plastic skylight.
- VELUX recommends and building codes require laminated glass for out of reach applications.

The No Leak Skylight™

• NO LEAKS • NO WORRIES Velux Flashing Required.

1

Pre-attached Gasket

Pre-attached gasket provides a tight seal for leak-proof installation.

2

Adhesive Underlayment

Adhesive underlayment for secondary water protection against the harshest weather conditions.

3

Engineered Flashing

Engineered Flashing for easy installation and primary water protection.

Quick, easy installation

Traditional skylights can take days to install. Solatube Daylighting Systems take just a couple of hours, thanks to our patented fastening and tube telescoping system. Attic obstructions aren't a problem either. Our angle adapters and extension tubing make it easy to skirt around rafters and joists for quick, easy installation.
