Skylights

**Fixed Curb Mount Skylight**

24x24 #FCM2222 **\$156<sup>98</sup>** 24x48 #FCM2246 **\$216<sup>14</sup>**

With tempered laminated, low-e glass & argon gas. Skylights are great for visually expanding areas such as hallways, stairwells and other closed-in, dark spaces that can be transformed with natural light and sky views. They provide an economical alternative in creating a spacious home that is filled with natural light.

Curb-Mounted Installation

**The No Leak Skylight™**

• NO LEAKS • NO WORRIES Velux Flashing Required.

**1****Pre-attached Gasket**

Pre-attached gasket provides a tight seal for leak-proof installation.

**2****Adhesive Underlayment**

Adhesive underlayment for secondary water protection against the harshest weather conditions.

**3****Engineered Flashing**

Engineered Flashing for easy installation and primary water protection.

The patented FCM curb mounted fixed skylight is sized to work with all types of site-built curbs, whether they're slightly out-of-square, pre-existing, or surrounded by unusually thick flashing and roofing material. Heavy-duty materials ensure the FCM skylight is built to withstand the installation process, as well as anything Mother Nature throws its way.

**CLEAN, QUITE AND SAFE GLASS**

- Features Neat® glass coating to keep your skylight cleaner, longer, leaving skylights virtually spotless.
- Reduce unwanted outside noise by up to 25% less than a standard double pane glass, and up to 50% less than a plastic skylight.
- VELUX recommends and building codes require laminated glass for out of reach applications.

**SOLATUBE®****Daylighting Systems**

Bring natural light into any room

**Quick, easy installation**

Traditional skylights can take days to install. Solatube Daylighting Systems take just a couple of hours, thanks to our patented fastening and tube telescoping system. Attic obstructions aren't a problem either. Our angle adapters and extension tubing make it easy to skirt around rafters and joists for quick, easy installation.

**SOLATUBE®**

**10" Solatube with pitch**  
**\$226<sup>61</sup>**  
complete kit

#120610. The Solatube 160DS is designed to deliver sunlight to spaces up to 200 sq. ft. So it's just right for small to medium-sized areas like bathrooms, laundry rooms, closets and hallways. Use multiples for larger rooms.

**14" Solatube with pitch** **\$321<sup>97</sup>** complete kit

#121520. For large areas like kitchens, family rooms and bedrooms, the 290DS is what you want. It delivers sunlight to spaces up to 300 sq. ft.
