SIMPSON
Strong-Tie

Quik Drive® Project Pro™

- Auto-feed technology
- Drive Screws Up to four times faster
- Works with most cordless drills
- Simple to use

Project Pro™ makes it easy to drive screws up to four times faster than traditional drivers alone. It's perfect for repetitive fastening on decks, fences, flooring and other projects. Lightweight and simple to attach, Project Pro™ works with most cordless drills and driver motors and installs collated fasteners that are 1 5/8" to 2 1/2" long.

3" Cordless Screwgun Kit \$669⁰⁰ #442304

3" Screwgun W/Drywall Attach \$559⁰⁰ #PROSDD

3" Screwgun Only \$479⁰⁰ #PRO300

Quik Drive® Project Pro™ Only \$99⁰⁰ #QDPROJECT

Collated-screw fastening tools are replacing traditional nailers ("nail guns") for their safety, ease of use, speed, reliability and power. Simpson's Quik Drive® auto-feed screw driving systems are easy to use, durable and designed for a wide variety of fastening applications.

Mead Clark's Quik Drive Loaner Program

Mead Clark offers a program which allows our customers to experience the efficient and easy-to-use Simpson Quik Drive® systems. We currently offer both corded and cordless options.

Our Simpson Quik Drive® Cordless loaner currently comes with a Dewalt screwdriver motor, 2 Dewalt batteries, and 1 Dewalt charger.

Our Simpson Quik Drive® Corded loaner currently comes with Makita screwdriver motor, PRO300S decking attachment, an extension for stand-up driving, a quiver for screws, tool case, and a decking nose clip.

To take advantage of this program, simply purchase your choice of loaner, try the system out for any length of time, and then return it for a full refund (limitations may apply). Screws not included. Limited to stock on hand, product must have all components to qualify for return eligibility.
