FastenMaster Deck Coating

FastenMaster Deck Frame Coating extends the life of your deck substructure by creating a protective moisture barrier that deters wood rot and decay on deck joists, beams, ledgers, stair stringers and posts

- Fast and Clean Application
- Provides roughly 450 lf of coverage*
- Dries in as little as 20 minutes for fast deck board installation
- Coats hard-to-reach places, like tight corners, where tape cannot reach

APPLICATION:

FastenMaster's Deck Frame Coating can be applied using a standard bristle paint brush or a heavy duty, 3/8" nap roller. It is recommended to apply a generous and consistent single layer of coating.

- Apply in temperatures above 40 °F / 4 °C. Freeze/thaw stable when cured.
- Product is in a liquid state, protect from freezing. If product was frozen, allow 12 hours of thaw time before use.
- Fast dry formula sets in as little as 20 minutes.**
- Full cure in 24 hours @ 70°F/21°C and 50% humidity.**
- Do not apply to dirty/contaminated or wet surfaces.
- Coating remains slightly tacky when cured

*Approximate coverage per gallon at 20mil or .5mm dry film thickness
**High temperature and / or high humidity may extend set time.

FireStorm® Ember Mesh

FireStorm® Ember Mesh protects buildings & infrastructure against ember attacks and radiant heat. Ember attacks account for up to 90% of buildings lost during a wildfire and is a major cause for structure loss. Burning embers can easily enter a

home and ignite flammable material that collects in gutters, under decks, and crawlspaces. FireStorm® Ember Mesh stops embers from entering gaps and reflects radiant heat caused by fires.

It is WUI Compliant and Class A Fire Rated. With an .018" wire diameter, it also works to keep insects and critters out. Made of 304 Stainless Steel with a black powder coat finish, coupling corrosion protection with a seamless look.

Areas to use FireStorm Ember Mesh:

1. Perimeter Fence
2. Enclosing Patios & Decks
3. Retrofitting Vents
4. Roofs
5. Elevated Projections
6. Retrofitting Eaves & Soffits
7. Screens for Doors & Windows
8. Chimney
9. Solar Panels / Pest Abatement
