LIGHTING

Tower Work/Multi-Directional Light

\$499⁰⁰ ea. #DML814

A tall, towering light extending to an overall height of 7-1/4 feet. It delivers 3,000 /1,700 /900 lumens on High / Medium / Low settings.

Get up to 10 hours of continuous illumination with one 18V LXT 5.0Ah Battery on low and up to 3 hours on high (battery and charger not included). L.E.D. lights effectively illuminate work area without the high heat of halogens. This tower light features three adjustable heads that rotate 180-degrees vertically.

Other features include a dust and water-resistant construction (IP55-rated when using battery) for improved operation in harsh job site conditions. The tower folds and features convenient shoulder strap and handles for easy transportation.

4-LED Flashlight

\$75⁰⁰ ea. #DML815

Delivers bright illumination, versatility, and convenience. The high-luminance 4 L.E.D. flashlight provides 160 lumens. The fast-charging Makita® 18V LXT® Lithium-Ion Battery delivers up to 23 hours of continuous illumination on a single charge (when using the 18V LXT® Lithium-Ion 5.0Ah battery, sold separately). The 12-position aluminum pivoting head provides added versatility, with a durable design engineered for job site conditions. A metal hang-hook provides added convenience. The flashlight has a slim, compact design at 10-3/4"L and weighs only 1.95 lbs. (with 18V LXT® battery)

Cordless/Cordled LED Floodlight

\$399⁰⁰ ea. #DML809

Offers the convenience of cordless or corded operation, and provides bright and even illumination for work spaces. At full brightness it provides 10,000 lumens of light, and 2,000 lumens on low mode. Adjusting knobs enable the user to direct the light to the desired angle. The Work Light can be mounted on an optional tripod stand (sold separately). Dust and water-resistant construction (IP65 rated) for improved operation in harsh job site conditions.

Cordless/Cordled LED Floodlight

\$275⁰⁰ ea. #DML811

Offers the convenience of cordless or corded operation, and provides bright and even illumination for work spaces. At full brightness it provides 3,000 lumens of light, and 750 lumens on low mode. Adjusting knobs enable the user to direct the light to the desired angle. The Work Light can be mounted on an optional tripod stand (sold separately). Dust and water-resistant construction (IP65 rated) for improved operation in harsh job site conditions.

Cordless/Cordled LED Floodlight

\$169⁰⁰ ea. #DML805

Offers the convenience of cordless or corded operation. At full brightness it provides 750 lumens of light, and 450 lumens on low mode. The fast-charging 18V LXT Lithium-Ion 4.0Ah battery (sold separately) delivers 10.5 hours of continuous illumination on a single charge. It also features Extreme Protection Technology (XPT™) for improved dust and water resistance. It is fully compatible with Makita 18V Lithium-Ion batteries.
