Naturally Beautiful
Redwood Decking

Shop Where the Contractors Shop - Mead Clark Lumber

We sell beautiful S-DRY not "green" Construction Heart Redwood Decking for optimal appearance and functionality. Our S-DRY Redwood, from Redwood Empire, is air dried until the perfect 19 percent or less moisture content is achieved, making for lighter, easier decking installations.

2x6 Redwood Con Heart 'S-Dry' Decking
\$3.20 lin.ft.

#26CH 8', 10', 12', 14', 16', 18' & 20' lengths

Our Con Heart features the look & color that made redwood famous. Con Heart is made of heartwood, the result is a deck or other outdoor space that features a deep red, uniform appearance. Con Heart contains some knots, it is not a clear grade.

Redwood Clear Heart Green Decking

#26CHG **\$5.20** lin.ft.
 8', 10', 12', & 14' lengths

Well manufactured, free of defects one face (reverse face may have slight imperfections). Surfaced four sides. Use for fine decks, hot tubs, and garden structures

FREE Redwood Booklets Available

Deck Construction

Contains deck construction techniques and specifications based on decades of cumulative deck-building experience. It does not provide plans for building a specific deck, but it has valuable information that will help with any deck project.

Redwood Grades & Uses

There are over thirty different grades of redwood lumber including general purpose grades and specialized grades for a single use. There is a grade of redwood for almost any application suitable for wood.

Finishes & Deck Maintenance

A quality redwood deck is an investment that will last decades. And protecting that investment only takes a bit of time and effort. Tips and techniques for finishing and maintaining your exterior redwood.
