

# REDWOOD DECKING

2x6 Redwood Con Heart 'S-Dry' Decking — Air Dried For Optimal Appearance & Functionality

We sell beautiful S-DRY not "green" Construction Heart Redwood Decking for optimal appearance and functionality. Our S-DRY Redwood, from Redwood Empire, is air dried until the perfect 19 percent or less moisture content is achieved, making for lighter, easier decking installations.

**\$3.20** lin.ft.  
#26CH 8', 10', 12', 14', 16', 18' & 20' lengths

Our Con Heart features the look & color that made redwood famous. Con Heart is made only of heartwood, the result is a deck or other outdoor space that features a deep red, uniform appearance. Con Heart contains some knots, it is not a clear grade.

### TWP 1500 Pro Series Wood Protector

A semi-transparent Oil-Based wood stain and preservative that is allowed in all 50 states. The new TWP® 1500 formula is designed to penetrate better, dry faster and outperform other formulas. It's an EPA registered wood preservative which prevents structural damage and wood decay on exterior above ground wood surfaces such as fencing, decking, wood siding, log homes, and roofing. Resists water absorption that causes warping, cracking and splitting as well as preventing freeze damage in colder climates. A low VOC preservative with special U.V. absorbing pigments that prevent unsightly wood graying, darkening and fading. (Clear has no UV protection) The selected mildewcides inhibit the growth of mold and mildew which assist in preventing premature discoloration.

**Deck Sprayer**  
#7586795. 2 Gallon Funnel-top. Compatible with deck cleaners, sealers and transparent stains. 3 poly fan nozzles for fine, medium and coarse spray pattern

Was \$49.99 **NOW \$39<sup>99</sup>**

#GRL900. Comprehensive rotary laser kit – features a horizontal/vertical rotary laser with working range of up to 1,000 Ft. and includes an LR10 laser receiver, a remote control, a tripod, a grade rod, wall mount, two D batteries, three AA batteries, laser glasses, target card and a carrying case. Reliable accuracy – delivers ±1/8 In. accuracy at 100 Ft. for confidence in the job.

### 10 In. Jobsite Table Saw with Gravity-Rise Wheeled Stand

#GTS15-10. Delivers both professional rip capacity and outstanding portability to get the job done. The powerful 15-Amp saw delivers outstanding productivity for tough rip-cutting and cross-cutting jobs. It features electronically regulated speed to help maintain speed under load. The Rack and Pinion rip fence is engineered for great ease-of-use and allows for easy micro and macro adjustments with a hand knob, without having to tap and knock the fence into place.

Was \$179.00  
**NOW \$145<sup>00</sup>**

### 120 V - 7 Amp Top Handle Jig Saw

#JS470E. Tool less blade-change system, an ambidextrous lock-on button, and a variable speed-dial. Made with a large, sturdy die-cast foot with steel insert, four orbital-action settings, an adjustable dust blower, plus a ergonomic top handle. With case.

Was \$137.99 **NOW \$118<sup>00</sup>**

### 124 Ft. Green 3 Point Laser

#GPL100-30G. Self-leveling laser with ±1/8 In. accuracy at 30 Ft. for up/down plumb, align and level applications. Green-beam technology, up to 4X brighter than standard red beams. It is faster than a standard manual plumb bob. Includes Smart Pendulum System to lock the laser when switched off, 360 degree rotation, a hard carrying case and full rubber overmold housing.

Was \$299.00 **NOW \$249<sup>00</sup>**

### 100 Ft. Green Line / Dot Laser

#GCL100-40G. The laser produces vertical, horizontal, cross-line modes, as well as upward and downward green plumb points. Can project two lines independently or together. Onboard user interface allows easy selection among the layout modes. Self-levels and indicates out-of-level condition. The included RM10 Rotating Mount offers quick setup, extra-strong magnets, and fine adjustment rotating nob.

Was \$579.00 **NOW \$499<sup>00</sup>**

### 360° Connected Green-Beam Three-Plane Leveling and Alignment Line Laser

#345003. Provides an all-in-one level and alignment solution for one-person job setup. The leveling laser generates three green-beam laser chalk lines in 360° laser planes – one horizontal and two vertical. With Bluetooth® connectivity, users can control the setup of the laser from across the room with their smart phone and the free Bosch Leveling Remote App.
