

# MORE SIDING MORE CHOICES MORE WOW!

New Construction • Remodel • Additions • Repairs • Restoration

Engineered wood technology offers superior protection against the elements.

Lap Siding is great for standard siding applications on any structure.

Panel siding is great for light commercial, shed and residential applications. Vertical siding is perfect for achieving the charming board and batten look.

Our stock lap and panel sidings come preprimed with cedar texture. Or you can choose to have your special order siding pre-finished with one of WoodTone's 18 color combinations, plan on a 6 to 8 week lead time.
